

**Notes for the October 15, 2014, CERES
Processing Oversight Board Meeting**

Meeting began at 1:11 p.m. in the Business Development conference room at SSAI.

Meeting Notes

There were no comments or questions on the notes from the last meeting.

Announcements

- 1,000 PRs have been created since January 2013.
- Semi-annual AMI maintenance – Friday, October 17, through Friday, October 24.
- ASDC power outage – December 12 through 19.
- CATALYST and Clouds Group Achievement awards were presented at last week's NASA awards ceremony.

SCCR Discussion (SCCRs that have been submitted or updated since the last meeting)

There were no SCCRs to discuss.

CATALYST Status

Work continues on version 2.0. On track for delivering late January – early February.

PR Tool 2.0.0

On target for delivering November 21. Definitely delivering the Web interface and possibly the database.

Tutorial demo of general search page is tentatively scheduled for next Wednesday afternoon (October 22).

Production Processing Status

No updates to the posted report.

System Status

Outage schedule:

Queues down at 8:00 a.m. on 10/17

ANGe and dropbox down at 9:00 a.m.

Filesystem check Friday afternoon through Sunday

UGE upgraded to 8.1.7 on 10/21

IDL 8.2 will be made the default on 10/21

Network switch upgrade 10/21 & 22

Back up and fully operational morning of 10/23

Status of Open SCCRs

1041 – Plan to release by 10/17. Has to be promoted before SCCR 1038 is delivered.

1018 – Need production PRs. Will promote without production PRs once Jonathan sends an email notification that the ValRs have been approved.

1010 – Remove hold and proceed with testing.

1028 – Received ValR PRs today (10/15).

1023 – New target delivery date: 10/31/14.

1038 – On schedule. Won't be delivered until SCCR 1041 has been promoted. Need to add a QC report and update test suite scripts.

1042 – On schedule.

1024 – No update.

1017 – No update.

1025 – No update.

1029 – Will probably slip until sometime next spring.

919 – Needs to be revisited.

Meeting ended at 1:57 p. m.
